5G Stadium
Medientage München

Michael Reinartz
Director Consumer Services & Innovation
Vodafone Germany
Vodafone’s 5G antenna at Volkswagen Arena makes VfL Wolfsburg the first Bundesliga club with 5G

- Huawei antenna
- 3.6 Ghz / 40Mhz
- can be used by any Vodafone customer with 5G tariff and smartphone
With 5G Vodafone elevates live sports experience to the next level
Select the player and the information you are most interested in

or simply by tipping on the player on the pitch
Not only the future of football is exciting. 5G enables augmented reality also in other areas:

- other sports
- opera
- tourism
- congresses
The future is exciting.
